Teens and Their Tech Toys

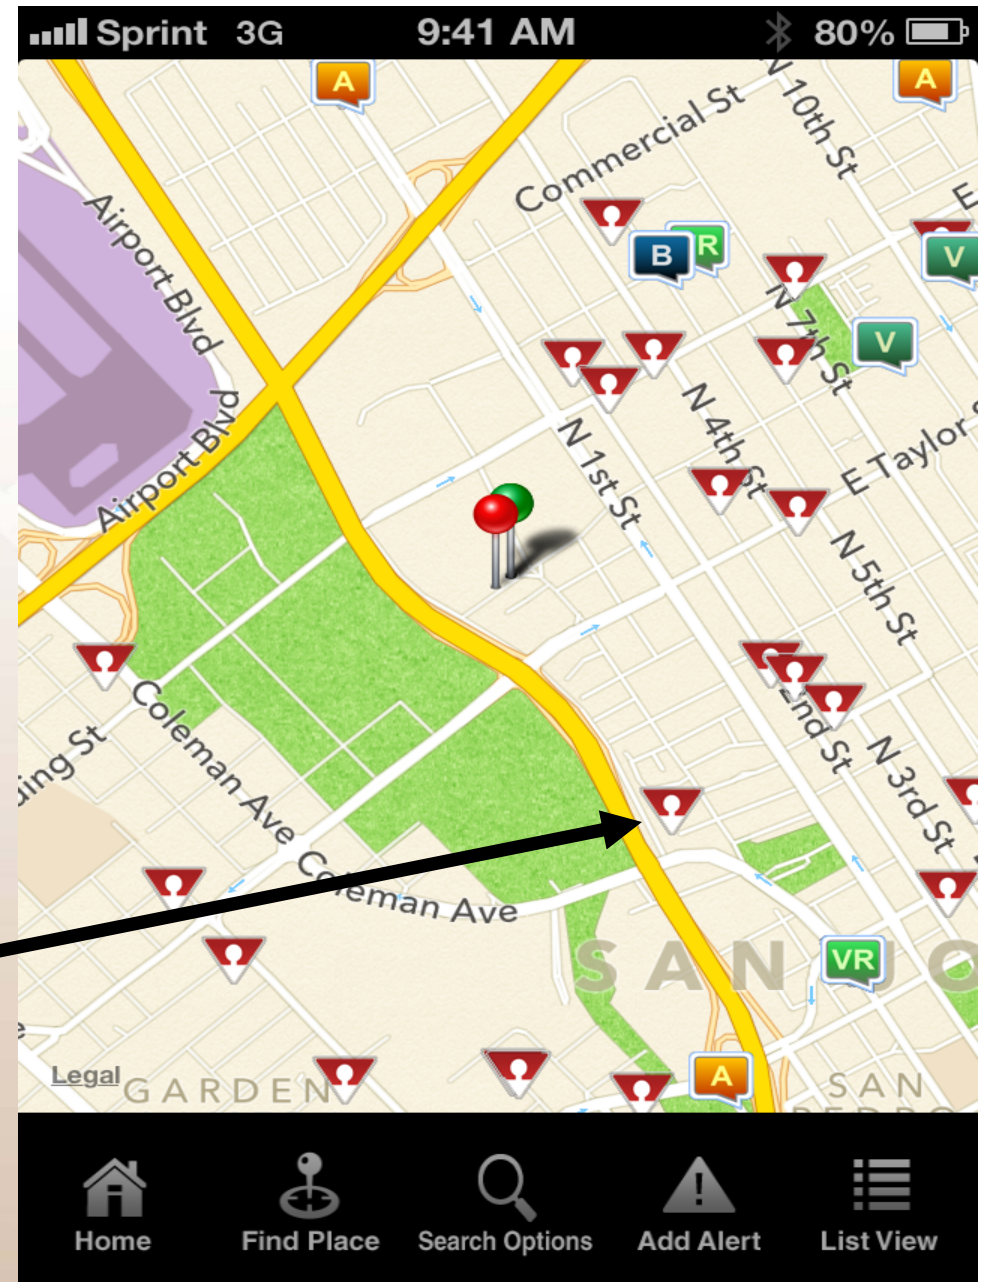

Almost half of all teens will become victims of theft, and these thefts usually occur at school. Items such as iPads, cell phones, digital cameras, iPods and portable gaming devices are the most common target for thieves. In addition, school books and designer clothing can be stolen.

Below you will find a few safety tips to prevent property theft at school. Please give this information to your child/teen and discuss strategies to avoid this type of theft.

1. Consider leaving valuables, particularly electronics, at home. If you do bring them, don't show them off.
2. Always keep your locker locked. Don't tell anyone your combination.
3. Don't keep money or anything valuable in your
